

STOMACHS ON STILTS.

The man who puts on stilts does not increase his actual stature. He only feels taller. Stimulants are the stilts of the stomach. They make a man feel better for the time being, but he feels a great deal worse for them after-ward.

The need of the man whose stomach is "weak" is not stimulation, but strength. Dr. Pierce's Golden Medical Discovery perfectly answers that need. It contains no alcohol or whisky. It cures the weak, foul stomach with its attendant bad smelling breath, coated tongue, bad taste, poor appetite and kindred symptoms.

"In the year 1890 I had an attack of indigestion and got so bad that my home doctor said he could not do me any good," writes Dr. Front, of Gordonville, Texas. "I wrote to you and advised you to send me Dr. Pierce's Golden Medical Discovery, so I bought six bottles, and when I commenced using it I was so weak could hardly walk about the house. By the time I had used one bottle my stomach and bowels commenced to heal. There were stripes of the lining of my stomach or bowels (I don't know which) as large as a man's two fingers passed and I had a good deal of misery in my stomach and bowels, and also in the rectum especially. I could not eat anything without having much distress afterward, but by the time I had taken eight bottles of the 'Golden Medical Discovery' I was sound and well, and could eat anything I pleased without suffering in the least. Could also do as much work in a day as I ever could. I have not suffered from the trouble since, and it was four years ago that I was so sick."

The sole motive for substitution is to permit the dealer to make a little more profit. He gains; you lose. Accept no substitute for "Golden Medical Discovery."

Constipation causes and aggravates many serious diseases. It is thoroughly cured by Dr. Pierce's Pleasant Pellets.

HAIR NATURALLY ABUNDANT.

When It Is Free of Dandruff, It Grows Luxuriantly.

Hair preparations and dandruff cures, as a rule, are sticky or irritating affairs that do no earthly good. Hair, when not diseased, grows naturally, luxuriantly. Dandruff is the cause of nine-tenths of all hair trouble, and dandruff is caused by a germ. The only way to cure dandruff is to kill the germ; and, so far, the only hair preparation that will positively destroy the germ is Newbro's Herpicide—absolutely harmless, free from grease, sediment, dye matter or dangerous drugs. It always itching instantly; makes hair glossy and soft as silk. "Destroy the cause, you remove the effect." Sold by leading druggists. Send 10c. in stamps for sample to The Herpicide Co., Detroit, Mich.

STRONG Again

is what Mrs. Lucy Stovall, of Tilton, Ga., said after taking Kodol Dyspepsia Cure. Hundreds of other weak women are being restored to perfect health by this remedy. YOU may be well if you will take it. Indigestion causes nearly all the sickness that women have. It deprives the system of nourishment and the delicate organs peculiar to women suffer—weakens, and become diseased.

Kodol Dyspepsia Cure enables the stomach and digestive organs to digest and assimilate all of the whole-some food that may be eaten. It nourishes the body, and rebuilds the weak organs, restoring health and strength. Kodol cures indigestion, constipation, dyspepsia, sour risings, belching, heartburn and all stomach disorders.

PRESIDENT'S PLEA FOR PEACE.

An identical note, the text of which, by authority of the President, was made public late last night at the White House by Secretary Loeb, has been forwarded to the governments of Russia and Japan by President Roosevelt. In the interest of humanity the President urges the warring nations to conclude peace.

It is suggested by the President that the negotiations for peace be conducted "directly and exclusively" between the belligerent nations. The note indicates the President's belief that an intermediary may not be necessary to effect conclusive negotiations, but likewise expresses the President's willingness to do all that he properly may do to promote the preliminary arrangements for a time and place for the meeting of representatives of the Russian and Japanese governments.

Within 48 hours announcement will likely be made of such an agreement, and the place and time designated for the first conference. Field Marshal Oyama is believed to have been instructed by his government not to make another offensive movement until the question of negotiations has been finally settled. The British, German, French and Italian governments are supporting President Roosevelt in his conciliatory efforts.

Here is the text of the dispatch as given out:

"On June 8 the following dispatch was sent by the President, through diplomatic channels, to the Japanese and Russian governments:

"The President feels that the time has come when in the interest of all mankind he must endeavor to see if it is not possible to bring to an end the terrible and lamentable conflict now being waged. With both Russia and Japan the United States has inherited ties of friendship and good will.

"It hopes for the prosperity and welfare of each, and it feels that the progress of the world is set back by the war between these two great nations.

"The President accordingly urges the Russian and Japanese governments not only for their own sakes, but in the interests of the whole civilized world, to open direct negotiations for peace with one another.

"The President suggests that these peace negotiations be conducted directly and exclusively between the belligerents; in other words, that there may be a meeting of Russian and Japanese plenipotentiaries or delegates without any intermediary, in order to see if it is not possible for these representatives of the two powers to agree to terms of peace.

"The President earnestly asks that the (Russian) Japanese government do now agree to such a meeting, and is asking the (Japanese) (Russian) government likewise to agree. While the President does not feel that any intermediary should be called in, in respect to the peace negotiations themselves, he is entirely willing to do what he properly can if the two powers concerned feel that his services will be of aid in arranging the preliminaries as to the time and place of meeting. But if even these preliminaries can be arranged directly between the two powers, or in any other way, the President will be glad, as his sole purpose is to bring about a meeting which the whole civilized world will pray may result in peace."

A dispatch from Cologne says that the St. Petersburg correspondent of the Magdeburg Gazette claims that he has excellent authority for saying that the Czar is willing to enter into peace negotiations, providing that Japan shall limit her demand for indemnity to the sum of her actual disbursements and claim no Russian territory. Also, that Russia shall be placed on an equal footing with Japan as regards commercial facilities in Korea and Manchuria.

Governor Montague and the Federation of Labor.

After a heated discussion by the convention of the State Federation of Labor in Newport News, resolutions were passed yesterday denouncing Gov. Montague and members of the capitol commission for not making the work upon the building a "closed job." The resolution, as at first introduced, mentioned simply Gov. Montague. Some of the delegates declared that the resolution was intended to injure Montague in his fight for the senatorship, and an amendment was adopted by which all the members of the commission were included in the denunciation.

The following officers were elected: W. F. Fields, of Norfolk, president; Howard T. Colvin, Alexandria; W. E. Phenix, Richmond; F. R. Abrams, Newport News; D. M. Ruggles, Roanoke, vice-presidents; M. R. Pace, Richmond, secretary-treasurer; J. C. Long, Roanoke, sergeant-at-arms.

When the convention adjourned for the night the Jamestown Exposition controversy still was up for discussion. Up to the present time the representatives of organized labor in that section have been unable to reach an agreement with the board of governors of the exposition, and the whole matter was referred to the State Federation for settlement.

After a long discussion of the Jamestown Exposition matter yesterday, a committee of five members was appointed to co-operate with the local central labor union in regard to the whole affair, and the State Federation adjourned.

MEDICAL OPINIONS OF BUFFALO LITHIA WATER

Experience "Fully Demonstrates the Value of Buffalo Lithia Water as a Solvent of Uric Acid, and a Valuable Therapeutic Agent in the Treatment of Gout."

L. H. Warner, A. M., Ph. G., M. D., Brooklyn, N. Y. In a paper entitled "The Treatment of Gout, Uric Acid Diathesis and super-induced crystalline cases of two idiopathic patients," gives full clinical notes of these interesting cases, and in a lecture before the recent meeting of the Alabama Medical Association showed an microscopic view of the blood and urine of these patients in different stages of improvement. He says: "My former good results from the use of BUFFALO LITHIA WATER, ordered to be taken, I was more than surprised at the amount of Uric Acid sand eliminated with each urination, and three weeks from the beginning of treatment not a trace of the former crystals existed. These cases fully demonstrate the value of Uric Acid as the only medium for the elimination of Uric Acid, and in four months, with BUFFALO LITHIA WATER, an increase of 56 Hemoglobin, 20,000 red cells and a normal count of white cells, while the urine appeared without any pathological factors. These cases fully demonstrate the value of Uric Acid as a solvent of Uric Acid and a valuable therapeutic agent in the treatment of Gout."

"THE MOST RELIABLE SOLVENT IN CHRONIC INFLAMMATION OF THE BLADDER AND RENAL CALCULI."

Louis C. Horn, M. D., Ph. D., Professor of Diseases of Children and Dermatology in Baltimore University. BUFFALO LITHIA WATER, in my practice in city, writes: "Having used BUFFALO LITHIA WATER, in the past eight or nine years, I find it the most pleasant and most reliable solvent in Chronic Inflammation of the Bladder and Renal Calculi; also in gouty and rheumatic conditions. It is a remedy of great potency."

"UNDER A DEBT OF GRATITUDE TO THIS MOST EXCELLENT WATER FOR WONDERFUL RELIEF."

Wm. C. Wilco, A. M., M. D., L. L. D., of Danbury, Conn., reports the following (New England Medical Review, December 15, 1888): "In a recent outbreak of Nephritic Colic in our own person, the BUFFALO LITHIA WATER, short, the stones quickly passed, and the debris which followed showed a thorough cleansing of the kidneys and bladder of all foreign substances. All of the reflex symptoms and sequelae were promptly relieved, and we feel under a deep debt of gratitude to this most excellent water for wonderful medicinal testimony on request. For sale by the general drug and mineral water trade."
